

We're prepared for

SNOW

- are you?

**Buy your salt & snow shovels now
and follow the Snow Code!**

Anyone can clear snow and ice from the pavement outside their home or public spaces to prevent slips and falls. Follow the Snow Code to clear snow & ice safely:

- Clear the snow & ice early in the day
- Use salt or sand – not water
- Take care where you move the snow
- Offer to clear your neighbours' paths

For further information on preparing for the winter, visit the 'Get Ready for Winter' page at

www.direct.gov.uk

For local suppliers of salt & shovels, please see the Council's website at

www.hart.gov.uk
